Promise of Quality

About Us:

Bisco Food has succeeded over the years because of the passion and dedication of its employees. We continue to strengthen this foundation by paying particular attention to our business principles and values. In everything we do, empowerment, trust, transparency, hard work, and unquestioned ethical behavior remain at the center.

Taking care of our employees is a top priority for us.

We strive to conduct our business with integrity.

Our Vision:

With innovative production techniques and new product development, We strive to produce the highest quality hygienic food products to satisfy generations across the globe. In line with our mission statement, we are proud to claim that we deliver the best quality at an affordable price.

Moreover, we encourage a progressive culture within the community by promoting Islamic education and organizing seminars about education, Business, and cultural values. Bisco Food firmly believes in the principles of commitment to quality and the development of a progressive community.

Our Journey

For more than two decades the company continues to remain in the hearts, minds & souls of the people through the variety and excellent quality of Biscuits, Wafers, Confectionery, Snacks and juices manufactured under its roof. We make incredible brands to the highest quality standard that our consumer loves. We know how to retain category leadership by anticipating consumer needs. Amna Group of Industries is housed in a modern factory utilizing the latest technological equipments, best practice methods and focus on innovation with just in time production.
